**As a member of the  
PAMED Physician Grassroots Network:**

- You'll receive our legislative action alerts and be a "go-to" physician who contacts your legislators to urge them to act. You may be asked to deliver a PAMPAC check in your district to friends of medicine.
- You'll receive PAMED's *Capitol Insight*, a monthly member newsletter on political, legislative, and regulatory happenings in Harrisburg and Washington.
- You'll meet with your legislators or invite them to your practice to learn about your profession.

**Thank you!**
